## PRICING LIST

### WEB DESIGN

#### Starting at \$500

Our web design package includes everything you need for a stunning online presence: meticulous structuring, captivating design, professionally crafted web content (with revisions included), domain purchase, and initial hosting. Once your website is live, you'll only need to cover the monthly hosting costs.

### SOCIAL MEDIA

#### Starting at \$600 for a month-long fully crafted social media campaign with 15 posts

Our social media plans are designed to boost your online presence with engaging content tailored specifically to your brand. Each post is uniquely researched, crafted, and visually designed to ensure you connect with your audience. Research is included.

### TRADITIONAL ADS

#### CUSTOM BUSINESS CARD DESIGN

##### Starting at \$250

Elevate your brand with our custom business card designs. We'll work closely with you to create a design that embodies your brand identity, with revisions included. Plus, receive a set of 1000 business cards to jumpstart your networking efforts. Need more? Additional sets can be added for an extra fee.

#### ADVERTISING POSTCARDS

##### Starting at \$350

We'll work closely with you to create a unique design for your postcard ad that instantly connects consumers with your brand, with initial content creation and revisions included. Receive a set of 1000 postcards to get started. Need more? Additional sets can be added for an extra fee.

### WRITING

#### \$0.15 per word or \$90 per page

Our writing services encompass meticulous research, comprehensive structuring, and unlimited revisions, ensuring your content meets your standards and resonates with your audience.
